| Direct Metering Agreement  |  |
|--|--|
| Will the new meter be covered by an existing Direct Metering Agreement (DMA)?  | <input type="checkbox"/> Yes <input type="checkbox"/> No |
| If yes, please confirm the metering provider and annual fee applicable. If you do not have a DMA, our standard metering costs will apply, and we will confirm these once the meter is active. Other fees and charges may apply under the terms of your Retail Electricity Agreement. | Meeting Coordinator:<br>Cost (Incl GST):                 |

| Meter installation time  |  |
|--|--|
| Where a new meter is required as part of the works requested, retailers are required to perform a meter installation by a date agreed with the small customer or within fifteen business days if no timing can be agreed.  |  |
| To assist with scheduling your meter upgrade, please select your preferred option:   |  |
| <input type="checkbox"/> Option 1  | Meter to be installed on an agreed date. If this option is selected, the Metering Coordinator will contact you within 4 business days to arrange a suitable time to attend the site. |
| <input type="checkbox"/> Option 2  | Meter to be installed within 15 Business Days of a completed request being received.   |
| Note: Meter installation timing is subject to site being safe, accessible and ready for required installation works and the connection service being complete. If meter installation is not able to be completed due to the site not being safe, accessible or otherwise suitable for the installation, we may pass through any charges we incur to you. |  |
